

**Single Turret Series**

<b>2.00" Models:</b>	 <b>B545S</b> main spindle, sub-spindle, 1-turret	 <b>B545L</b> main spindle, tailstock, 1-turret with live tools	 <b>B545SL</b> main spindle, sub-spindle, 1-turret with live tools	 <b>B545LY</b> main spindle, tailstock, Y-axis turret with live tools	 <b>B545SLY</b> main spindle, sub-spindle, Y-axis turret with live tools
	 <b>735S</b> main spindle, sub-spindle, 1-turret	 <b>735L</b> main spindle, tailstock, 1-turret with live tools	 <b>735SL</b> main spindle, sub-spindle, 1-turret with live tools	 <b>735LY</b> main spindle, tailstock, Y-axis turret with live tools	 <b>735SLY</b> main spindle, sub-spindle, Y-axis turret with live tools
<b>3.15" Models:</b>	 <b>835S</b> main spindle, sub-spindle, 1-turret	 <b>835L</b> main spindle, tailstock, 1-turret with live tools	 <b>835SL</b> main spindle, sub-spindle, 1-turret with live tools	 <b>835LY</b> main spindle, tailstock, Y-axis turret with live tools	 <b>835SLY</b> main spindle, sub-spindle, Y-axis turret with live tools
	 <b>TC600S</b> main spindle, sub-spindle, 1-turret	 <b>TC600L</b> main spindle, tailstock, 1-turret with live tools	 <b>TC600SL</b> main spindle, sub-spindle, 1-turret with live tools	 <b>TC600LY</b> main spindle, tailstock, Y-axis turret with live tools	 <b>TC600SLY</b> main spindle, sub-spindle, Y-axis turret with live tools

**Trofeo Dual Turret Series**

<b>2.00" Models:</b>	 <b>TTC300SL 52</b> main spindle, sub-spindle, with live tools on upper or lower turret	 <b>TTC300SLL 52</b> main spindle, sub-spindle, with live tools on both turrets	 <b>TTC300SLLY 52</b> main spindle, sub-spindle, Y-axis upper turret, with live tools on both turrets	<i>EUROTECH Multi-Axis Mill/Turn Centers: Designed and Built to Exceed the Technology Challenge of the 21st Century!</i>
	 <b>B446SL</b> main spindle, sub-spindle, with live tools on upper or lower turret	 <b>B446SLL</b> main spindle, sub-spindle, with live tools on both turrets	 <b>B446SLLY</b> main spindle, sub-spindle, Y-axis upper turret, with live tools on both turrets	
<b>2.625" Models:</b>	 <b>TTC300SL 65</b> main spindle, sub-spindle, with live tools on upper or lower turret	 <b>TTC300SLL 65</b> main spindle, sub-spindle, with live tools on both turrets	 <b>TTC300SLLY 65</b> main spindle, sub-spindle, Y-axis upper turret, with live tools on both turrets	<i>"It's out of the box automation, simple and easy to use! We run it 24/7, the quality is top-notch!"</i> <b>Kadon Precision</b>
	 <b>B465SL</b> main spindle, sub-spindle, with live tools on upper or lower turret	 <b>B465SLL</b> main spindle, sub-spindle, with live tools on both turrets	 <b>B465SLLY</b> main spindle, sub-spindle, Y-axis upper turret, with live tools on both turrets	
<b>3.15" Models:</b>	 <b>B481SL</b> main spindle, sub-spindle, with live tools on upper or lower turret	 <b>B481SLL</b> main spindle, sub-spindle, with live tools on both turrets	 <b>B481SLLY</b> main spindle, sub-spindle, Y-axis upper turret, with live tools on both turrets	 <b>B481SY2</b> main and sub-spindles, Y-axis upper turret, Y-axis lower turret, live tools on both turrets

**Multiple Triple Turret Series**

<b>2.00", 2.75" and 3.15" Models:</b>	 <b>B446-T3-Y3</b> main spindle, (3) Y-axis turrets, sub-spindle, C-axis, live tools on all 3 turrets, & 2.00" bar cap.	 <b>B465-T3-Y3</b> main spindle, (3) Y-axis turrets, sub-spindle, C-axis, live tools on all 3 turrets, & 2.75" bar cap.	 <b>B481-T3-Y3</b> main spindle, (3) Y-axis turrets, sub-spindle, C-axis, live tools on all 3 turrets, & 3.15" bar cap.
---------------------------------------	---	---	--

With \$50,000 to \$100,000 of Unique Standard Features, You are Investing in a Complete EUROTECH System not just a machine.

**Rapido Dual Turret**

**1.42" Models:**

**B436SY2**  
36mm bar capacity, two-turrets, two Y-axes, SuperShift sub-spindle that can super-impose on either upper or lower turret, 8,000 RPM main and sub-spindles.

**EUROTECH FREE Lifetime Customer Training**

**Y/B Axis with Automatic Tool Change**  
up to 4.02" Models:

**SmartTurn 1200**  
variable B-axis, main spindle, sub-spindle or tailstock, 40 tool magazine, and up to 4.02" bar and 15" chuck

**SmartTurn 1200EX**  
variable B-axis, main spindle, sub-spindle or tailstock, 40 tool magazine, and up to 4.02" bar and 15" chuck

**Eurotech Delivers The Highest R.O.I.!**

STRYKER - SMITH NEPHEW - TIMKEN - HONEYWELL - WESTINGHOUSE - TYCO - TEXTRON - GOODRICH AEROSPACE - FESTO - GATES - PITNEY BOWES - G.E.

**Designed with all the Automation Required for Unmanned Operation - Over 10,000 Systems Worldwide.**

# Eurotechs deliver the greatest R.O.I.!

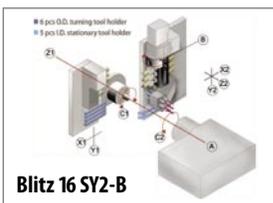

## High-Output Po Ly Gim CNC Convertibles

0.47" to 1-5/8" B-Axis Models:

### Blitz 12/16 SY2-B

Up to 11-axis, up to 16mm swiss-type CNC auto lathe w/live turret, gang static and driven tooling, 2 C-axes, 2 B-axes, 2 Y-axes, and sub-spindle.

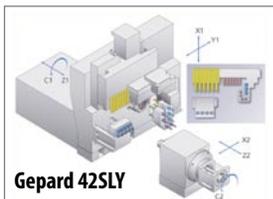

Blitz 16 SY2-B

### Gepard 20/32/42 SLY

7-axis, up to 42mm swiss-type CNC auto lathe w/gang static and driven tooling, Y-axis, 2 C-axes, and sub-spindle.

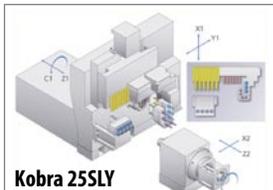

Gepard 42SLY

### Kobra 16/32/20/25 SLY

7-axis, up to 26mm swiss-type CNC auto lathe w/gang static and driven tooling, Y-axis, 2 C-axes, and sub-spindle.

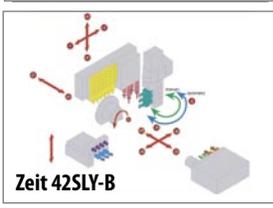

Kobra 25SLY

### Zeit 25/32/42 SLY-B

up to 9-axis & 42mm swiss-type CNC auto lathe w/gang static and driven tooling, Y-axis, B-axis, C-axis, and sub-spindle.

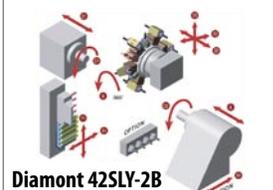

Zeit 42SLY-B

### Diamont 42 SY2-B

Up to 11-axis, 42mm swiss-type CNC auto lathe with 12-live station turret, gang static and driven tooling, 2 C-axes, 2 B-axes, 2 Y-axes, and sub-spindle - 15,500 lb machine.

Diamont 42SLY-2B

Up to 11-Axes, Twin Spindle, Fast, Precise and Productive

## Super Precision Lathes for sub micron hard turning

1" to 1-1/2" Models:

### Spinner PD

### Spinner SB

Ultimate Precision turning centers with high accuracy clamping, special ball screws, sub-micron spindle run out, sub-micron positioning, and scales. Various configurations available including turrets, live tooling, sub-spindles, and automation.

## Stallion Series - Heavy Duty Machining

3.15",  
3.66",  
and  
4.02",  
Models:

**B750L**  
main spindle,  
tailstock,  
1-turret, C-axis  
and live tools

**B750SL**  
main spindle,  
sub-spindle,  
1-turret, live  
tools, 2 C-axes

**B750LY**  
main spindle,  
automatic  
tail-stock,  
Y-axis turret,  
live tools, C-axis

**B750SLY**  
main  
spindle,  
sub-spindle,  
Y-axis turret,  
live tools, 2 C-axes

3.15",  
3.66",  
and  
4.02",  
Models:

**B1250L**  
main spindle,  
tailstock,  
1-turret, C-axis  
and live tools

**B1250SL**  
main spindle,  
sub-spindle,  
1-turret, live  
tools, 2 C-axes

**B1250LY**  
main spindle,  
automatic  
tail-stock,  
Y-axis turret,  
live tools, C-axis

**B1250SLY**  
main  
spindle,  
sub-spindle,  
Y-axis turret,  
live tools, 2 C-axes

Up to 11-Axes, Y-axis Turret, Sub-spindle or Tail-stock, High Output Turn/Mill Centers
