

PM1800 Bandsaw

PM1800 Bandsaw

The new PM1800 Bandsaw is a part of the new breed of high performance products from Powermatic - the Gold Standard since 1921. Designed with an enormous 18" resaw, multi-step blade tension, precision blade guides, and a 5HP motor hungry for hardwoods, this powerhouse comes standard with all the extra features you've come to expect from Powermatic.

FEATURES

- A. Tension lever has full tension, partial tension, and blade release settings for easy blade changes and tracking
- B. Micro-adjustable, tool-less bearing guide system gives close blade control while reducing friction
- C. Special grooved thrust bearing stabilizes smaller blades
- D. Heavy duty T-style rip fence has adjustable aluminum resaw fence
- E. Large 24" x 24" cast iron table
