COMPANY INTRODUCTION

企业简介

济南时代百超科技有限公司坐落在济南临港经济开发区，是国家认定的高新技术企业。公司占地30000平方米，拥有标准厂房7000平方米，各种加工、检验设备500余台(套)，是一家集科研、开发、制造、销售于一体的高新技术企业。公司主要从事数控钻、铣、冲及其它光机电液一体化数控成套加工设备的开发、制造和销售，旨在快速跟踪国际新技术，不断创新；用信息技术改造传统产业，大力开发光机电液一体化的数控成套加工设备，提高民族工业的自我装备水平；集中在电力、钢结构、化工、汽车等对国计民生影响比较大的行业内，重点发展关键成套技术和数控成套设备，以更好地服务于客户。公司现有主导产品涉及到电力铁塔、发电装备、钢构、中央制冷、汽车、环保、工程机械等行业，共计一百余种产品。

公司坚持以技术创新和优质产品持续满足顾客需求为方针，不断加强技术研发和创新能力，科技人员占员工总数的50%以上。公司的技术队伍，以几位在数控设备领域有近二十年设计经验的高级工程师为核心，培养了一批年轻的机械和电气工程师，为公司现有产品不断改进和新产品开发提供了有力的技术保障。能够根据用户特殊要求开发设计各种专用设备。

时代百超一向注重售后服务品质，以让用户放心、省心为己任，不断帮助客户创造价值，以“成就客户，造福员工；敬业报国，追求卓越；为客户提供最优质产品和最佳服务”作为我们的企业使命。

公司本着诚信为本的企业精神，愿与新老用户携手共创佳绩，努力打造中国光机电液一体化数控成套加工装备的典范。

Jinan Supertime Technology Co., Ltd. is located in Lingang Economic and Development Zone, Jinan city, China, 30,000 square meters, which has 7,000 square meters of modernized standard workshop, equipped with more than 500 sets of machining and inspecting equipments. It is a high-tech enterprise certificated by Chinese Government, mainly engaged in developing, manufacturing and selling of CNC drilling, milling, punching, and other Optical-electronic-mechanical Integration CNC equipments. The purpose of Supertime is to timely and promptly track international new technologies and make continuous innovation in technology for manufacturing high-grade equipments, to advance the level of equipment manufacture industry with information technology. Focus on the industrise of steel construction, electric power generation, chemical industry, automobile whice influence in national economy. The leading products supply for steel tower, power supply, steel structure, refrigeration, automobile, environmental protection, engineering machinery etc. Totally more than 100 kinds of products.

It is our guideline to satisfy the requirement of customers continuously. Supertime has engaged a team of highly competent and committed staff and workers. More than fifty percent of staff is engineering and technical personnel. It is the superiority in technology which can ensure that the existing products can be improved and the new products can be researched and innovated continuously. Some specialized design can be provided follow the customer's requirement.

Our business concept is based on Honesty hope with the new and old customers hand in hand to create a better tomorrow, to create the complete Electro hyclrculice CNC machinary equipment of China.
