

## WORLD'S MOST RELIABLE CONCRETE MIXER

Cemen Tech's flagship MCD60 brings flexibility and stability to the market with over four decades of usage in the field. It meets all DOT standards and can be configured to use multiple admixtures, fiber, dry or liquid color, and latex. The MCD60 is the most popular unit throughout North America and is the selected unit of choice by United States Armed Forces and is currently operating successfully in over 50 countries.

You will not find a more accurate mixer on the market today that meets the AASHTO M-241 and ASTM C685 standards when operated in accordance with ACI 304.6R.

## CUSTOMER REQUIREMENTS

Carrying Capacity (yd <sup>3</sup> /m <sup>3</sup> )	3-12 / 2.3-9.17
Prod. Rate (yd <sup>3</sup> per hr / m <sup>3</sup> per hr)	30-90 / 23-68.81
Aggregate Bin (ft <sup>3</sup> /m <sup>3</sup> )	102-408 / 2.88-11.55
Cement Bin (ft <sup>3</sup> /m <sup>3</sup> )	50-140 / 1.42-3.96
Mix Auger (in /mm)	9-12" / 229-309 diameter
Air System	3-6 Pneumatic vibrators for accurate flow
Aggregate Belt (in /mm)	18"-24" / 457-610 for multiple agg size capabilities
Available Water Tank (gal/L)	260-510 / 984-1930

MOBILE CONCRETE DISPENSER

## MCD60

### KEY FEATURES

- Ni-Hard wear blades
- Full range of options based on application
- Most accurate volumetric on the market
- Capacity ranging from 3 yd to 12 yd with production ranging from 30 yd/hr to 90 yds/hr
- Max Life lower bearing for extended life

### STANDARD PACKAGE

- Exclusive dual auger cement feed system for superior portioning
- 6" vertical drop provides highest accuracy for aggregate flow
- Truck, trailer, hook lift, or stationary configurations available in multiple sizes

MCD-series mixers are used by local and state governments worldwide.

## KEY APPLICATIONS

General Concrete

Precast

Flowable Fill

Pervious

Rapid Set

Overlay Concrete

## POTENTIAL OPTIONS

Ticket Printer

Pneumatic Fill

Dry Color

Liquid Color

Fiber Chopper

Latex

## ABOUT CEMENT TECH

Cemen Tech believes that people, businesses, and communities around the world should have the infrastructure to access clean water, transport goods and services, and reliable housing.

Our products provide the foundation and stability to meet the needs of a growing world in an environmentally conscious way. We supply the world's best concrete one cubic yard at a time.
