

# HIGH CAPACITY MIXERS

## *Vertical Auger*

*Smart Solutions To Keep You Moving!*

The *Typhoon* high capacity vertical auger mixer is designed to quickly, efficiently and economically create a homogenous mixture of free flowing bulk solid materials. The 12"-16" OD industrial auger lifts material up from the bottom of the hopper and disperses it evenly over the top.

This proven line of mixers easily handles materials to include pellets, flakes and granules.

A large range of capacities are offered in addition to several loading / discharge capabilities. There are many options available to help meet your specific process requirements as well.

### **Key features:**

- Heavy duty welded construction
- Industrial grade augers
- TEFC motors
- Multi-belt drive
- HD top drive bearing
- 60 degree cone
- Discharge slide gate
- Pneumatic, auger or dumper filling
- Pneumatic or gravity discharge
- Easily integrates with Ensign's automated bulk bag filling system
- Lube free lower composite bushing for low maintenance operation
- Smart maintenance features
- Industry leading two year warranty on all parts and workmanship

*Mixer shown with vacuum loader and integrated bulk bag filling system*

*See back page for additional options and specifications.*

# High Capacity Mixers

## Standard Features:

- Heavy duty welded construction
- 60 degree cone
- Lube free composite lower auger bushing
- 12" - 16" slide gate
- NEMA 12 panel w/ start / stop
- Programmable Allen Bradley digital timer
- AB safety switches at all access points
- 7.5HP—50HP TEFC motors
- Multi-belt drive
- Remote grease block for top bearing
- Loader mounting pattern
- Side or top access hatch
- Bolt down foot pads
- Ensign Blue epoxy exterior

## Optional Features:

- Automated / integrated weigh systems
- Integrated bulk bag or Gaylord filler
- UL control panels
- Stainless steel construction
- Easy Clean package
  - Fully welded auger flighting
  - Hinged auger tube access door
- Dumper fill chute
- View window
- Extended legs for gravity discharge
- Auger discharge
- Vacuum discharge
- Work / access platforms w/ ladder
- Custom paints and coatings
